# HIGH SPEED PVC DOOR

---

High performance  
High speed door  
advocate

## Comprehensive range of FRAME work

- ✓ **Alumium Alloy**
- ✓ **Galvanized steel with color coating**
- ✓ **201 stainless steel**
- ✓ **304 stainless steel for food logistics and hygienic area**

# Comprehensive range of PVC roll up door

## Performance PVC

- Thermal insulation
- Noise insulation
- Long durability
- impact & scratch resistance
- high resistance to water

## Anti-UV PVC

- Thermal insulation
- Noise insulation
- Long durability
- Impact & scratch resistance
- Flexibility
- High resistance to UV

## Anti-bacterial PVC

- Thermal insulation
- Noise insulation
- Long durability
- impact & scratch resistance
- Flexibility
- Anti-bacterial vinyl

## Anti-static PVC

- Thermal insulation
- Noise insulation
- Long durability
- impact & scratch resistance
- Flexibility
- Static dissipative vinyl
